- Watford
- Birmingham

Supporter of PANDAS charity

What can we do for your venue?

Introduce your venue to a wider family market and spread the word to local parents that your venue is baby friendly.

Introduce your venue to local customers who will return (without the babies!) for an evening out.

Produce earnings via food and refreshments at an otherwise quiet time.

Being part of something that is helping those in the tough first year of parenthood.

NOMINEE: Breastfeed with confidence award

WINNER: Best Mental Health Boost for Parents (UK Enterprise Awards)

WINNER: Best Bring-along Baby Activity (HOOP Awards)

WINNER: Family Friendly Comedy Service of the Year (Prestige Awards)

"It was wonderful to feel like a normal human being again. The comedy show was the most dignified, humanising experience I've had since having a baby which says so much about what you do (and sadly, a lot about society). I'm still laughing at the jokes"

- Christine (BYOB Guest, 2022)
